

## **Developer Story**

### **Our Home. Your Castle.**

We at Kingsland have been building homes, townhomes and duplexes in Medicine Hat since the year 2000. Although we are our own entity, we do work closely with Medican (founded in 1974) on several townhome and duplex projects which enables us to build on their solid reputation as one of Alberta's most successful multi-family developers. Our high standards combined with Medican's vast experience give you the assurance that we will build your 'Castle' as if it were our own home.

#### **Our Mission:**

***To build high quality homes for satisfied customers.***
