

Developer Story

Our Home. Your Castle.

We at Kingsland have been building homes, townhomes and duplexes in Medicine Hat since the year 2000. Over the years we have come to be known as one of the most innovative builders in town due to our emphasis on curb appeal, functional design and energy efficient construction. Our high standards and experience give you the assurance that we will build your 'Castle' as if it were our own home.

Our Mission:

To build high quality homes for satisfied customers.

YOUR HOME IS UNIQUE TO YOU; it is where you feel safe, welcome and loved. Kingsland offers freedom and elegance; we make the process of choosing and customizing each home one of ease and convenience.

Whether you are starting out, moving up, or downsizing, our homes are built for real life with a flare only you can inspire your castle with.

Kingsland homes are designed for comfortable living. It is a guarantee that quality craftsmanship and materials are used to build each home because our home is your castle.

Our Values:

Trust. Excellence. Care.

We would be honored to assist you with any of your home purchasing needs. Being your choice builder means that every effort by every Care Team Member at every available occasion will be made to satisfy your desires.

Our Vision:

To lead the industry in quality, safety and customer satisfaction.

In 10 years building homes, Kingsland Developments Inc. has established ourselves as one of the most innovative home builders in Southeast Alberta, especially in the areas of safety and product development. This combined with a 'Customer First' philosophy is how we plan to achieve our goal of establishing ourselves as industry leaders.
